Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Monday 31 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Low cloud and mist spreading inland overnight. Fine, sunny Tuesday.

This Evening and Tonight:
Dry and clear for most overnight. North Sea fret will spread inland into some eastern coastal counties, however, leading to a misty and dull start to Tuesday for some. Feeling cool, particularly in rural spots. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Largely fine, sunny, and warm, with early low cloud and mist soon burning back to the coast. Some coastal areas staying dull and cooler, however, with cloud lingering all day. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Fine and dry Wednesday with sunny spells, but breezier. A weakening band of rain and showers moves northeastwards during Thursday. Mostly dry on Friday, with the chance of some showers.
